Note: **As usual, we ask that all boats be moored stern in whenever possible.** As a reminder, your moorage includes complimentary holding pump-out services. Feel free to call the Marina to schedule a visit from the "PHECAL FREAK", the marina's pump-out vessel.

Hotel Rooms: If you are in need of a hotel room, **call Roche directly at 800-451-8910.** They are holding a block of rooms for the PSGBOA RENDEZVOUS, so be sure to request that special rate! The special rate will be released **April 9th**, so make your room reservations now.

Friday Evening Hors d'oeuvre Potluck: Friday night will again feature hors d'oeuvres and wine on the party barge. Our great friends at Wells Fargo Insurance are sponsoring the wine tasting event and we ask each boat to bring a favorite **heavy** appetizer to feed approximately twenty people. Remember, you will need to have a list of your ingredients to accompany your dish. Chips and Salsa and Chef Shaw's green chili chicken enchiladas will be provided, so get out those cookbooks now and start creating ☺

Chef Shaw Outdoor Cooking Demonstration: This always popular event will again be held at lunchtime on Saturday at Roche Harbor's wonderful shore-side cooking venue. There is an **additional cost of \$30 per-person** for this demo and we recommend you sign up in advance below, as this is always a sell-out.

"Women-on-the-Water" Training: Thanks to the support of NW Explorations, this popular **FREE** training class for ladies only will again be offered aboard *Deception*, Brian Pemberton's twin-screw GB 49. In order to make this a quality experience, space is **limited to 4 participants in each of 4 classes.** Please indicate your preference for a class by marking them 1 thru 4 below. Spaces will be assigned on a first-come basis, based on your postmarked registration, so sign up early!
