WELCOME TO THE 2013 PSGBOA

GRAND BANKS RENDEZVOUS

MAY 9th – 12th, 2013

ROCHE HARBOR RESORT AND MARINA

SAN JUAN ISLAND, WA

PUGET SOUND GRAND BANKS OWNERS ASSOCIATION

¡Hola! GB Amigos:

Welcome to the 2013 PSGBOA “South of the Border Fiesta” Rendezvous! We hope you enjoy this weekend here in Roche Harbor. This is a great time to see old friends, make new ones and check out each other’s great boats! Remember this event is for you, so have a good time!

For the first timers, we extend a hearty “WELCOME!” and hope that you will enjoy your interactions with other Grand Banks enthusiasts. We’ve arranged a special session just for you to meet the current and former PSGBOA Board Members aboard *Deception* at 5:00 p.m. on Friday, and we hope you and your crew will make it.

Your PSGBOA Welcome Materials include this program brochure, your event tickets, and your name badges with GB lanyards, courtesy of Grand Banks Yachts. Make sure you bring your meal tickets with you when you need them! Also, your registration includes 2013 Rendezvous T-shirts, sponsored by Grand Banks Northwest, NW Explorations and Active Interest Media. Finally, Roche Harbor Resort has included 2 coupons good for savings on merchandise and spa services. They are valid for this weekend only, so take your coupons with you to ensure you get the discount prices.

Inside this program you will find the schedule of events, a map of the resort, a brief description of this year’s seminars, a list of attendees, and information provided by our terrific group of sponsors who help make this event possible.

Many of our sponsors have returned year after year, and we thank them for their unflagging support. Please take the time to chat with them and check out the array of services and products that they provide to help us keep our boats outfitted, safe, and ready to cruise. We encourage you to favor them with your business when purchasing their products and services as their financial support of this event is crucial to its success!

In addition, there are many volunteers within our organization who have been vital to putting this event together. We hope you will also take the time to thank them for their efforts and hard work!

So set your ship’s chronometer to “Island Time” and enjoy this year’s “SOUTH OF THE BORDER, FIESTA!”

Gracias!

SUMMARY OF RENDEZVOUS EVENTS

Below you will find a summary of events with some hints to help make your stay fun and informative. The enclosed schedule will help you plan each day to maximize your participation in the events of interest to you.

Registration Area: Volunteers will be manning the registration table on the party barges starting at 2:00 p.m. on Thursday and running all day Friday and Saturday morning. Stop by if you have questions, want to post a message or check out the schedule!

Morning Coffee and Donuts: We are providing coffee and famous Lime Kiln Café donuts down at the large party barge starting at 8:00 a.m. both Friday and Saturday. They won't last long, so come on down and greet the morning Roche Harbor style!

Vessel Safety Inspections: Volunteers from the Friday Harbor Power Squadron will be offering free vessel safety inspections both Friday and Saturday. A successful inspection will earn you a sticker for your window that should reduce the chances that you might be stopped by the Coast Guard at a time not of your choosing for an on-the-spot inspection. You can sign up at the registration desk when you check-in, where we also have helpful suggestion sheets available with hints on "How to Survive a Vessel Safety Check".

Women-on-the-Water (WOW) Training: Back by popular demand and thanks to the generous support of NW Explorations, this is an opportunity for the ladies to get some hands-on training in twin-engine maneuvering under the expert tutelage of trainer Paulette Bergh. These two-hour classes are limited to 4 enrollees each class and are free of charge, but required signing up when you registered. All four sessions have been filled for weeks, but we do have a waiting list and will contact those on it should anyone cancel on site. We will be confirming your enrollment when you register and ask that you report to the training vessel, *Deception*, 15 minutes prior to the start time to ensure the class can begin on time.

Seminars: We've put together a varied schedule of educational talks and seminars, presented by outside professionals as well as some of our own members. These events will be held inside the tents on the docks.

The following position is filled automatically:

Past President:	Byron Richards
-----------------	----------------

The following positions are appointed by the Board:

2014 Rendezvous Chairs:	(Need Volunteers)
Members at Large:	Ken Bowles, Scott Blake, Bruce Rutherford, (other volunteers welcome!)

ACKNOWLEDGMENTS

The 2013 Rendezvous Chairs would like to gratefully acknowledge the following Board members and volunteers who have contributed valuable time and effort in planning and organizing this event.

High Fives and Hugs to:

Tucker West & Leslie Simmons: for soliciting and coordinating the sponsorships that fund this event.

Bruce Rutherford: for soliciting and arranging for all of the Raffle donations.

Sue Hunt and Byron Richards: for showing us how to run a rendezvous and taking over so many tasks when business prevented us from participating. They are always pitching in to do more and set a standard that's impossible to beat! –Thank you both so very much!

Leslie Simmons: for running the registration table and printing documents, setting up and completing spread sheets and otherwise avoiding (and solving) problems. Leslie is indispensable! What a great help she has been!

Brian Pemberton (Board Member Emeritus): for hosting the First-Timers reception, and storing and transporting TV monitors, and providing advice from a perspective that only Brian has and was gained from his many, many, many years of involvement in this event!

Alison Horne: for creating attendance spreadsheets and printing name badges and assisting Sue Hunt.

Bruce and Joan Rutherford: for acquiring theme decorations.

Bill Ray: for organizing the vessel inspections.

Ken Bowles: for coordinating the Kids' activities and movie.

Camilla Auger: for organizing and running the Seadog Show.

Gary Ball and David Hensel: for efforts in boosting attendance from South Puget Sound.

Kim Nance: for her excellent work on our Website, maintaining the membership roster, and for promptly sending mass emails.

Greg & Janice McLaughlin: for IT/AV advice and on-site technical assistance.

Bill Shaw, Kevin Carlton, Troy Buck and all the terrific staff at Roche Harbor: for providing excellent advice and service in a world-class venue!

Grand Banks Yachts: for building the best boats in the world!

And our heartfelt thanks to all who are volunteering and pitching in to help on site!

SPECIAL THANKS TO OUR SPONSORS

Collectively, they pay more than half the cost of this rendezvous, so we ask that you please look at their ads, and choose them first when you need their products and services – they've earned it!

Friday Lunch & Sponsor Booths: Friday's lunch is courtesy of our generous sponsors! Starting at 12:30 PM on the small party barge, you can enjoy a Mexican sea-side Taco Bar with your choice of fixings. The lunch is a ticketed event, so please bring your tickets, grab a taco and a drink, and then take some time to chat with the sponsors who have set up exhibits on the large party barge. We have set aside this afternoon to make sure you all have a chance to visit with them and perhaps set up a later one-on-one visit on your boat should you desire. PLEASE be sure to thank our sponsors for their support and try to patronize them as their support allows us to charge half of what would otherwise be required for this event.

DVD/BOOK/CD Exchange: A big success last year, and back by popular demand! Exchange your DVD/BOOK/CDs for something new to you! Stop by the small party barge Friday afternoon to see what's available. We will have both kid-appropriate and mature audience sections, so please place your contributions in the proper place. Then keep coming back as the selection will change with each exchange.

Appetizer Potluck and Hosted Wine Tasting: Friday evening at 6:00 p.m. we invite you to join us for our ever-popular HEAVY potluck along with a wine/bear tasting brought to you by the folks at Wells Fargo Insurance. Please bring a heavy appetizer, finger food, or bite-size desserts to serve 15. We'd like to try and limit the need for utensils where possible, so as to keep the event casual. You are encouraged to bring your own plates, utensils and wine glasses, but disposable items will be available for those who need them or prefer not to wash dishes! Please bring a small card with a list of ingredients for your dish, in order that those with food allergies can eat confidently. Wear your name badge so that we can limit access to our attendees only. This is a great opportunity to socialize with old friends and meet new ones. Be sure to make the "First Timers" welcome!

Kids' Movie Night: In order to give parents a chance to relax with friends after the wine tasting on Friday evening, we will be showing a kids' movie starting at 7:00 p.m. in Roche Harbor's Yacht Club Room above the Lime Kiln Café. This activity will be chaperoned by one of our board members, and we plan to provide popcorn and juice. The featured film is "Rango", an animated adventure about "an ordinary chameleon who accidentally winds up in the town of Dirt, a lawless outpost in the Wild West in desperate need of a new sheriff."
[IMDB]

Chef Shaw Cooking Demo: At noon on Saturday, Roche Harbor's Executive Chef, Bill Shaw, will be presenting another mouth-watering demonstration and sampling of south of the border cuisine. This event will be held within McMillan's Dining Room this year. This event costs \$30 per person and also requires pre-registration and a ticket to attend. Although almost fully booked, there may still be room, so check with the registration table if you'd like to join us.

Dog Show: Once again we invite all canine crew members to strut their stuff at the annual PSGBOA Dog Show, organized by Camilla Auger of *EXUBERANT FOX*. This event takes place down on the small party barge at 4:30 PM Saturday afternoon. Come help judge the entries. Every dog goes home a winner!

Saturday Night Cocktail Hour and Dinner: This is our *grand finale* event for all attendees, hosted by Grand Banks Yachts and Cummins, which takes place in the big tent on the lawn. Starting at 6:00 p.m. you can enjoy delicious margaritas, ice-cold beer and sodas at the Hosted Bar, or your choice of wine and other cocktails at the No-Host Bar on the other side of the tent. In order to keep costs within reason, each dinner ticket comes with 2 free drinks at the hosted bar. Please bring cash if you wish to partake of other beverages besides those listed on the tickets.

Dinner will start around 7:00 p.m. and features another of Chef Shaw's wonderful menus in keeping with this year's theme is "SOUTH OF THE BORDER FIESTA". Although it is also listed as a Member's Meeting, we promise to keep the speeches to a bare minimum. Our bylaws require that we vote on next year's Board Members, so we will take a short break from the festivities to take care of that business.

During the evening we will be showing a slide show of pictures featuring GBs at play around the Northwest. If you would like to contribute a handful (less than 10, please) of pictures from your cruising adventures, or this year's Rendezvous, please make them available on a jump drive, SD card, etc. on Saturday afternoon to Leslie Simmons or Jonathon Cooper of GB down at the party barge. We look forward to seeing where you and your GBs have been this past year.

PSGBOA Burgees: We will have PSGBOA burgees for sale at \$30 each at the registration table, so here's your chance to show that you belong to the best group of GB Owners in the world.

AMERICAN DIESEL

Ford Lehman

Presented by Bob Smith

American Diesel Corp was founded in 1981 by Bob Smith, who is the former head of Lehman Ford engines. He was responsible for the development of the Lehman engine in the design and worldwide sales of the engine. After leaving Lehman Power, Bob formed this new company, American Diesel Corp, continuing with the marinization of Ford Industrial diesel engines. American Diesel is the experts on Ford Industrial marine engines. They offer the same courteous and knowledgeable assistance to Ford Diesel owners that made Lehman special in the marine industry. New owners of previously owned Lehman powered boats can call and get the same assistance offered to the first owner back in the day.

SEAKEEPER

Presented by Brook Stevens

Join Brook Stevens of Seakeeper to learn all about active gyro stabilization. Seakeeper is the world leader in active gyro stabilizer technology for the leisure yacht and commercial marine industry. Seakeeper's gyro stabilizer systems are installed completely within the hull to virtually eliminate zero and low speed boat roll, working at anchor and fully underway. The installations require no through-hull cutting, eliminating the need for drag producing & damage-prone appendages. Seakeeper gyros are small and lightweight, offering flexible installation options while consuming minimal power. Seakeeper provides owners new heights of luxury and performance, offering the best in comfort and safety completely within the hull. Seakeeper has been designed into Grand Banks 43, 53, and 54 models and the systems can be retrofitted into existing hulls. Bring your questions!

TOTAL STABILITY AT ZERO SPEED AND UNDERWAY

*...already fitted and proven on
Grand Banks 43, 53, & 54 models*

Anchoring in protected waters and cruising the open sea demands the latest in stabilization technology. That's why we engineered the most effective anti-rolling device ever made. Using gyroscopic technology, the Seakeeper® Gyro System actively controls boat roll, for total comfort. Our proprietary internal system predicts the effect of each wave and compensates before it can be felt, eliminating the need for external fins. Efficient, quiet and virtually maintenance-free, nothing tames the sea like the Seakeeper® Gyro.
